Subscriber Discount Program (OPTIONAL)

We offer the following Discount Program for our subscriber customers: For a \$30 annual fee, you will receive a 10% discount on all comic, trade paperback, graphic novel, manga, and statue purchases for a period of one year. (This is an optional program, and you need not take advantage of this offer to utilize our subscription service.)

Yes! Sign me up for the Subscriber Discount Program. I understand there is a \$30 annual fee for this program, and that my membership is valid for one (1) year from date of purchase.

How our subscription service works:

1. Complete this form, being careful to enter all requested information, especially about titles/items you wish us to pull for you. We recommend that you consult the latest issue of "Previews" for accurate title/item descriptions.
2. Special orders (i.e., items we normally don't stock) are not a problem. We may ask you to provide us with a deposit on particularly expensive or unique items.
3. If you indicate to us you wish to order an item, you are obligated to purchase that item. We base our orders for some items very closely to your choices, hence we will hold you to your selections. If we make an error in pulling your subscription, you are under no obligation to purchase the item(s) in error.
4. All items you subscribe to will be put aside on the Wednesday they arrive in our store. If you pick the items up by the time our store closes on that Wednesday, great!
5. If you aren't able to pick up your items by the time our store closes on the Wednesday they arrive in our store, the following conditions apply:
Total Purchase less than \$10: we will hold these items for you for 1 (one) week. At the end of that one week period, if you have not yet picked the items up, we will charge your on-file credit card for the total amount of your purchase.
Total Purchase greater than \$10 (including previous weeks orders): on the following Thursday morning, we will charge your on-file credit card for the total of your purchases.
6. If you have not picked up your purchases within one week, as a courtesy we will contact you at the phone number(s) you have provided on this form to remind you. If you have not picked up your purchases within 90 days, despite our best efforts to contact you, we reserve the right to ship the products to the address on this form and charge your credit card for reasonable shipping fees.

Please complete the PULL LIST form and let us know which titles/items to order for you!
The cutoff date for changing your selections for the following month is the 20th of the month!
